Financial Export Process in Enterprise Version 2.5.3

- **The Financial Export process has been updated so that users no longer need to upload files to the repository. This will automatically happen behind the scenes when you complete the process.**

- When you complete the export process it will continue to save a file into your downloads folder. However, no action needs to be taken, and you can simply delete the file. A message will display on the screen letting you know the Financial Export completed (screenshot below). Once you see it, click OK and the process is completed.

e-ISuite _Site_ Version 2.5.3 Not Available

- The Site Version will be released soon.

- _**If you are currently using e-ISuite Site, until Site 2.5.3 is released, you do not need to complete the Financial Export process.**_ The repository will no longer be available as of 12/3/25. You can resume completing Financial Exports when Version 2.5.3 is released, which will be coming soon.

Version 2.5.3 Release Summary

Functional Area	Summary
Financial Export	Updates the process so that the file is electronically submitted. Users no longer need to upload the files to the e-ISuite Data Repository.
